Enquiry was made of the President of the P.C.M. Charity Fund, as directed above. In reply, he states that the Charity Fund Clerk has to maintain several important registers, carry on English and Kanarese correspondence, make payments to the stipendiaries, submit periodical accounts &c, that he should therefore be a good accountant and a trustworthy man. The President further says that ~~the duties are would be~~ good accountants are rare among Mohamedans, and even if one such can be found, he would not like to take up the appointment in question as much service is ? &c be suitable nor does it afford any prospect of promotion but would rather seek pensionable service affording prospects of promotion. In these circs, the President reports that he could not

at present find a Mohamedan with the requisite qualifications to fill up the vacant post, and that he has therefore conferred the appointment on who was recommended by the Muzrai Secretary. the applicant Seshagiri Rao. He however says that he would have been the first to appoint a Mohamedan, provided a competent man had been found

Memo

Prince Gulam Mahamood's Charity Fund clerk Raja Alle has been found to have been supremely indifferent to his work and quite unfit for it except for a few days in the month, on which he attended office for the purpose of making payments to the stipendiaries he has throughout absented himself without leave. It has recently come to light that he has grossly failed to maintain the most essential registers and duplicates of the Pension certificates as prescribed by Government and has thus rendered it impossible to identify a pensioner unless the pensioner himself or herself brings the pension certificate to receive the pension, as that alone contains the marks of identification and other particulars regarding the age parentage &c of the pensioner. Application

grant of the stipend received from 1905 had not been even registered by Raza Alle though he ought to have them and there registered and sent them to the members concerned for opinion and got them disposed of early. Even applications received through Govt. for disposal, have been allowed to share the same treatment as was accorded to the said 70080 applications. Similarly, orders passed on applications &c by the President, have not been carried out. While Raza Alle had absented himself without leave as usual in spite of repeated previous warnings, he was placed under suspension but on the representation of his father Mr. Hasan Ali Beg who is a member of the committee and to whom I represented the impossibility of allowing his son to continue as clerk, 3 months leave

granted to Raza Alli.
Subsequently, it was found out that
while payments on pension certificate
No. 28 has been made only upto end of
January 1905 to the holder Rabiyabee
the entries in the payment register
show that payments to Rabiyabee
have been made upto March 1906
and then to one Gousepurambee as
the holder of the same certificate upto
to end of February 1907. No reference
is forthcoming in the office to show
how Rabiyabee continued to draw
her pension till March 1906 while her
certificate No. 28 shows payments only
upto to end of January 1905 and how
Gousepurambee came to be the holder
of the same certificate No. 28 and
drew pension as such upto February 1907
The certificate of Rabiyabee bearing
entries of payments made only upto
January 1905 was produced by a comin-

a son in law of
committee with the statement
the holder Rahimabee had died 6 months
ago and that the pension should be
conferred on him, Raza Ali was called
upon to explain this. As his father
again represented to me that it was
advisable to wait for the production
of the certificate (there being no duplic-
-ate certificate in the office or its contents
in any register) by Gousperanbee
as she was sure to come with a forgiving
the pension, I said I would do so but
that his son should show as he was
bound to show, by office records, how
believed to be a mere apparent irregu-
-larity had occurred. He promised
that both himself and his son would
examine the records and furnish
the references pending this search of
the record for the reference, Raza Ali
was again granted leave for another
two months at request of his father. After

vainly searching the record for a day or two Raja Alle disappeared and has not turned up till now. His retention as clerk of the Fund is out of question as he is quite unfit for the post. He has however to explain how two different persons viz Rabinpbee and Gonsepurambee have received the pension as holders of the same certificate (No. 28) up to end of March 1906 and February 1907 respectively as per disbursement registers, while Rabinpbee's certificate No. 28 produced by her son in law bears entries of payments only up to January 05 If he fails to do so, he will have to make good the amount disbursed without authority. Gonsepurambee has not turned up to receive her pension for the last 2 months and this makes matters worse There is no reference in the Office to ascertain who she is and Raja Alle does not know who she is. A reasonable

committee, a formal
be made regarding this friend. But
in the circumstances detailed above
regarding the other irregularities, it
is no longer desirable to retain Razaulla
as clerk of the Prince Gulam Muhammad
Bloochy Fund. His services have there-
fore been dispensed with. The order
dispensing with his services was long
ago —— made but was not communicated
to Razaulla as I wished that he should
resign the appointment and asked his
father to send in his own resignation.
The resignation has not been sent. Hence
the order dispensing with Razaullas
services as if he had voluntarily resigned
the post. This consideration is shown
on account of the youth of Raza Ulla
and the respectability of his family.
I do not suspect him to be a dishonest
young man Being a boy he is supposed

merely indifferent to his work
and might improve as he grows old
As the leave granted to Raja Alli is
leave without pay, the present order
does not entail any pecuniary
loss on him

Sir

With reference to your No 5727 of 18th
June 1907. I have the honour to inform
that I gave the appointment to Bhasha-
yam Rao as he was recommended by
you as a deserving official. As regards
the appointment of a Mohomedan,
I shall be thankful if appoint a Mohamed-
an provided a competent Mohamedan
who is a good accountant could be found
for the place, but I am afraid that
good accountants are rare among
Mohamedans and I believe that
it is for this reason that even Moha-
-medan schools employ Hindus as

as a rule

The charity-fund clerk has to maintain several important registers, carry on English and Vernacular correspondence, make payments to the stipendiaries and submit periodical accounts &c. He should therefore be a good accountant and a trustworthy man. An educated Muhammadan will surely find better appointments in which there are prospects of promotion and one can save pension, they won't take up the appointment in question as there is no promotion in it and one has to retire without pension. For these reasons, I think it inadvisable to appoint a Muhammadan for a place where there is much account work to be done. The present experience as recorded in my memo already submitted to you is sufficient to support my view.

I have the honour to be,

Sir,

Your most obedient servant
